

## Yeadon Westfield Infant School PE Premium Report of Spending 2023-24

The government has provided additional funding of £150 million each academic year from 2013/2014 to improve the provision of physical education and sport in primary schools. Yeadon Westfield Infant School was allocated £16,900 for 2023-24 and carried forward £3,267.

This grant is ring fenced and therefore can only be spent on provision of PE and sport in school.

### **How we invested this at Yeadon Westfield Infant School?**

The following is a breakdown of how the funding was spent in 2023-24 and how this spending demonstrates impact on the five key priorities as defined in the Primary PE and Sports Premium guidance.

Key indicator 1: Increase confidence, knowledge and skills of all staff teaching PE and sport.

Key indicator 2: Increase engagement of all pupils in regular physical activity and sport.

The chief medical officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be at school.

Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement.

Key indicator 4: Broader and more equal experience of a range of sports and activities offered to all pupils

Key indicator 5: Increase participation in competitive sport.
